4. A student will not be permitted to participate in any practice or athletic contest if he/she has been absent from school during any part of the day unless a pre-arranged absence (PA) has been granted by the administration of the building.
5. Each athlete must have proof of a physical examination before participating in an athletic program. Further, it is mandatory that proof of a physical exam be RENEWED prior to participating in grades 9 and 11.
6. The school district makes available to the parent an insurance plan for grades K-12. Each participant must either purchase this plan or show evidence of coverage by some other form of accident insurance. (School insurance does not apply to out-of-school activities unless insurance is purchased as a full-time plan.)
7. It is understood the Klamath County School District is not liable for any medical, dental, or hospital bills occurring as a result of athletic injuries incurred by a student while participating in a supervised sport and that such bills, in excess of insurance benefits, shall be the responsibility of the student's parents or guardians.
8. Each student will be held monetarily accountable for school equipment issued as part of participation.
9. A student will not be allowed to work out or become a member of any team until all athletic equipment from a previous season is checked, paid for, or cleared by the athletic office.
